

Nominations or Expressions of Interest for St. Thomas More College Corporation

St. Thomas More College at the University of Saskatchewan is seeking volunteers to fill vacancies on our Corporation commencing January 1, 2027, for a three-year term.

St. Thomas More College is a publicly funded, Roman Catholic liberal arts college federated with the University of Saskatchewan. While we maintain our own administration and receive our own provincial grants, we are academically integrated with the University of Saskatchewan. That means:

- We offer classes that students take as part of their USask degrees
- Students in any USask college may take STM classes
- Our professors are fully certified: they are members of the faculty council of the College of Arts & Science and of University Council
- Any Arts and Science student may additionally self-declare as a St. Thomas More College student.

The successful candidates will be part of the Corporation, a governance body that meets annually to provide community insight into the governance of the College. Corporation's primary role is to ensure the operation of the Catholic college that is federated with the University of Saskatchewan and serves as a place where students may obtain a liberal education in the arts and sciences or in any other useful branch of learning and to promote the study, practice and knowledge of those arts and sciences.

Corporation benefits from the broad experience of its members and seeks individuals who are familiar with post-secondary education in Saskatchewan. Knowledge of and/or familiarity with Catholic values and traditions is expected of all Corporation members. Candidates do not need to be Catholic.

Corporation members can expect to spend 10-15 hours discharging their duties throughout the year.

How to Apply

Individuals interested in applying should submit an up-to-date résumé, as well as a letter of introduction highlighting their reasons for seeking membership on our Corporation. Please submit applications by email to Cameron Choquette, College Secretary & Director of Strategic Initiatives at cchoquette@stmcollege.ca

Applications will be considered by the Board of Governors' Organization & Membership Committee. Prospective candidates may be invited for an interview. Please note that only short-listed candidates will be contacted.
